which the former appeared as de-The case occupied fifteen such it stood ready at all times to The plaintiff asked for \$42.

ars and involved the taking of deitions in New York and San rancisco and the summoning of ada peris from all over the country to istain the contentions of the parton in the suit. It is estimated that he cost of this litigation including attorney's fees will not fall short of \$10,000 in the complaint it was of forth that on August 3, 1908, the sintiff entered into a contract fo he interchange of telegraphic traf continued in force unt Quober 9, 1914. The Postal company illeged that defendant was in deline to it in the sum of \$10,457.29 incurred in the construction of ty and that, in order to carry out uff was obliged to build a line from Cal, to Los Angeles and \$34571.11. It was contended that the procation of the contract this configution was of no value to the catiff and damages in the sum \$28,828.39 was asked.

with interest, the entire demand the plaintiff called for the payit of approximately \$60,000. Th mount admitted liability to the ant of \$7,600 which it stood ready bring the hearing it was develus now and, in fact, tendered plain on which returned the checks.

t but the Postal company in J | using a new line between lands mentioned in its comand two old wires that had I loung twenty-five years be The defense contended that out under any responsibility action of the Postal combuilding lines outside the between Ludlow and Best-: urged that the plaintiff com I with with just as much justice a the construction of lines to . . York or any other place that ill be necessary for the conduct business originating in the deterritory

be bearing virtually resolved self mue the issue presented by is busphous company about which " rould not be any dispute as copiny stood ready at all we make full payment for its - the cost of construction beally and Ludlow The serwe broken off by the Postal error, which summarily severed witness and entered suit for rement of the alleged rost of exmone construction.

The verdict was the only one could have been arrived at its citinuation of engineers and ded a vicious precedent that unleard of proceeding for any more carrier claiming to be in a to to engage in nation wide
